

## InterSystems e-Learning Center Quick Reference Card

Within this website, you can access to live events, recordings and important material from the experts. You can choose to view any of these resources individually or as part of a larger curriculum known as a learning track.  
[www.isc-learning.com](http://www.isc-learning.com)

### 1 Home Page

The **Home Page** provides access to helpful links and live events scheduled on the current day.

- A. My Learning:** Access content you have selected from the catalog.
- B. Catalog:** Search the content library to find recordings, live events and documents.
- C. Profile:** Update your profile.

### 2 Catalog

#### Using the Catalog to Find Resources

##### Find the content:

- A.** Use the keyword search, or
- B.** Browse the catalog by selecting a category folder.

Search Results will display

- **Learning Tracks:** a collection of content consisting of live sessions, recordings and documents about a specific topic.
- **Symposium Events:** a live event or recording.
- **Learning Objects:** a standalone document

**C.** Select the **Checkbox** next to a learning track, individual module or document.

**D.** Select the **Add to My Learning Link** next to and individual item to assign yourself the resources.

**E. Detail:** Select the Detail link next to any content to view the description and learning track modules or the dates of live sessions.

**Note:** If a piece of content is part of a learning track, you only need to assign yourself the learning track to assign yourself all of the webcasts and documents included.
