

LICENSE AND SUPPORT TERMS

1. These License and Support Terms are part of the License Agreement between InterSystems Corporation (“InterSystems”) and the end user customer (“you,” the “Customer” or the “End User”) identified in the License Profile associated with these terms (“License Profile”). The License Agreement shall not be binding until your initial License Profile is fully completed and an order form (the “Order Form”) has been fully executed.
2. As of the date specified on the License Profile or, if no date is specified, on the date the License Profile has been executed by you or on your behalf and accepted by InterSystems (the “Effective Date”), InterSystems hereby grants to you a nontransferable and nonexclusive license (the “License”) to use the InterSystems product(s) named in the License Profile (the “Licensed Software”) in the manner described herein and subject to the license scope described in the License Profile and provided that all fees set forth on the Order Form are paid. No License shall be granted upon the physical delivery of any software to you. For the avoidance of doubt, the “Licensed Software” shall not include any open source or third-party software that may be shipped with, installed with or used in conjunction with InterSystems’ proprietary software.
3. If you acquire the License directly from InterSystems or its affiliate, then you will be required to execute the License Profile and Order Form and you are responsible for paying all fees specified therein to InterSystems or such affiliate. If you acquire the License via a third party (a “Partner”), then you will be required to execute the License Profile or otherwise acknowledge your acceptance of these terms. The Partner will execute the Order Form and will be responsible for paying all fees specified therein to InterSystems.
4. From time to time, the size and/or scope of your License may be adjusted, which adjustment will be reflected in an amended and restated License Profile replacing your prior License Profile. The effective date of such amended License Profile will be the date such amended License Profile is delivered to you.
5. Your License is subject to InterSystems’ standard Terms and Conditions in effect from time to time relating to the Licensed Software (“Product Terms”). A link to the relevant Product Terms is set forth in your License Profile. You agree not to use or implement the Licensed Software in any manner that is outside the scope of intended use or otherwise violates any prohibitions or conditions set forth in the Statement of Intended Use attached to the License Profile or otherwise communicated to you by InterSystems.
6. The License Profile specifies whether your License is a paid-up License or is a subscription License. The term (“License Term”) of a paid-up License shall be 30 years from the Effective Date. The License Term of a subscription License begins on the Effective Date and, unless otherwise provided in the License Profile, is renewed automatically from year to year on the anniversary of the Effective Date unless proper notice of non-renewal is provided. The License Term of a paid-up or a subscription License is subject to earlier termination in accordance with section 12 below.
7. The Licensed Software may only be used on servers operated by you or on your behalf. You may not sublicense the Licensed Software or otherwise make it available to third parties except as explicitly provided herein.

8. Software Update and Technical Assistance (“Product Support”) shall be provided in accordance with the Product Terms and pricing in effect on the date such Product Support is invoiced. Unless otherwise provided in the License Profile, Product Support is renewed automatically from year to year on the anniversary of the Effective Date unless proper notice of non-renewal is provided.
9. InterSystems hereby warrants to you that (i) the Licensed Software will operate substantially in accordance with InterSystems’ documentation relating thereto for one year from the Effective Date or the end of the License Term, whichever occurs first, and (ii) all Product Support shall be provided in a manner consistent with industry standards. The foregoing warranties are conditioned upon the use of the Licensed Software strictly in accordance with InterSystems’ documentation and instructions, and the absence of any misuse, damage, alteration or modification thereof. INTERSYSTEMS SHALL NOT BE DEEMED TO HAVE MADE ANY OTHER REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE CONDITION, MERCHANTABILITY, TITLE, NON-INFRINGEMENT, DESIGN, OPERATION OR FITNESS FOR A PARTICULAR PURPOSE OF THE LICENSED SOFTWARE OR PRODUCT SUPPORT. MOREOVER, THE LICENSED SOFTWARE IS NOT A SUBSTITUTE FOR THE SKILL, KNOWLEDGE AND EXPERIENCE OF THE INDIVIDUALS WHO MAY USE THE LICENSED SOFTWARE. Your exclusive remedy for a breach of the above warranties shall be for InterSystems to use reasonable efforts to repair, replace or re-perform any non-conforming Licensed Software or Product Support, as applicable. The limited warranties above are not a substitute for Product Support, which in the case of a paid-up License, is available for a separate fee.
10. In the event of a valid claim that any Licensed Software that has not been altered, modified, misused or damaged infringes upon the intellectual property rights of a third party when used in accordance with InterSystems’ documentation and instructions, InterSystems shall either (a) modify the Licensed Software, (b) procure a license for you to use the Licensed Software or (c) terminate your License, at InterSystems’ sole discretion.
11. InterSystems’ and any affiliate’s liability to you shall in no event exceed the portion of the fee received by InterSystems or such affiliate during the proceeding 12 months in respect of the specific Licensed Software or Product Support on account of which such liability arose. In no event shall InterSystems or any affiliate be liable to you for any special, incidental, exemplary, indirect or consequential damages or lost profits.
12. Either party may terminate the License Agreement with 30 days’ advance written notice upon the other party’s breach if the breach is not cured during that period. Either party may terminate the License Agreement immediately upon written notice to the other party if the other party declares bankruptcy, makes an assignment for the benefit of creditors, or ceases to function as a going concern. In addition, you may terminate the License Agreement upon 30 days advance written notice if InterSystems discontinues support for the platform on which the Licensed Software operates. A subscription License shall terminate automatically on the last day of the final period for which InterSystems has received the proper fee. You, or the Partner, as the case may be, shall be liable for all fees relating to Licensed Software or Product Support provided prior to termination, and Sections 11, 12, 13, 14 and 15 hereof shall survive termination or expiration of the License Agreement. Your rights to use the Licensed Software cease immediately upon termination or expiration of the License Agreement.
13. The Licensed Software and related documentation are and shall remain the sole property of InterSystems. You agree not to (i) decompile, disassemble, or reverse engineer the Licensed Software or (ii) disclose to others the Licensed Software or any data or information relating to the Licensed Software. In addition, the parties shall be bound by the Confidentiality Terms attached to the License Profile. You agree to allow

InterSystems or its representatives to audit your use of the Licensed Software upon 5 days' advance notice by InterSystems. You agree to provide access to your premises and otherwise cooperate with InterSystems in such audit.

14. The parties are and shall be independent contractors to one another, and the License Agreement shall not create an agency, partnership or joint venture between the parties. Neither party nor its employees, agents or representatives shall be deemed to be an agent or employee of the other party, and each party acknowledges that it is not authorized to bind or in any way commit the other party to any legal, financial or any other obligation.
15. This License Agreement shall be governed by and construed in accordance with the laws of, and the parties agree to submit to exclusive jurisdiction of the Commonwealth of Massachusetts, USA. The English version of the License Agreement shall control unless otherwise required by local law.
16. You agree to comply with all applicable laws, including, but not limited to: U.S. export control or similar laws with respect to the distribution of the Licensed Software, Product Support and technical data; the US Foreign Corrupt Practices Act and any other anti-corruption laws; and applicable data protection laws. Without InterSystems' prior written consent, you may not allow the Licensed Software, Product Support or technical data to be exported to or used in a country or region where a license, permit or special permission is required. InterSystems may, but shall not be required to, apply for such license, permit or permission at your expense.
17. To the extent any provision in this document or in the Product Terms conflicts with any provision in the License Profile or Order Form, the latter shall control. InterSystems shall have the right to transfer or assign the License Agreement without your consent or prior notice to you. You may not assign the License Agreement without InterSystems' prior written consent. Except where InterSystems amends your License Profile to reflect a change in the scope of your License or modifies the Product Terms in accordance with those terms, the License Agreement may only be modified or amended by a writing signed by both parties.
