The Cloud Subscription may consist of multiple environments. If an environment is designated as “non-production” in the Order, you may only use that environment for system configuration, development, testing or training. Customer may permit third party independent contractors to access and use the Cloud Subscription provided that any such use is solely for the benefit of Customer. For the avoidance of doubt, the right to access and use the Cloud Subscription shall not be considered a license. Customer is responsible for all Authorized Persons’ use of the Cloud Subscription and shall ensure that each Authorized Person complies with all terms applicable to Authorized Persons in the Agreement. Customer shall be liable for the acts and omissions of all Authorized Persons while using the Cloud Subscription. Customer shall use commercially reasonable efforts to prevent unauthorized access to, or use of, the Cloud Subscription, and shall notify InterSystems promptly if Customer becomes aware of any unauthorized access or use of the Cloud Subscription. The parties shall comply with the Privacy and Security Specification.

- 2.6. **High-Risk Use. WARNING:** Modern technologies may be used in new and innovative ways, and Customer must consider whether its specific use of these technologies is safe. The Cloud Subscription is not designed or intended to support any use in which a service interruption, defect, error, or other failure of the Cloud Subscription could result in the death or serious bodily injury of any person or in physical or environmental damage (collectively, “**High-Risk Use**”). Accordingly, Customer must design and implement any use by the Customer such that, in the event of any interruption, defect, error, or other failure of such service, the safety of people, property, and the environment are not reduced below a level that is reasonable, appropriate, and legal, whether in general or for a specific industry. Customer’s High-Risk Use of the Cloud Subscription is at its own risk. Customer agrees to defend, indemnify and hold InterSystems harmless from and against all damages, costs and attorneys’ fees in connection with any claims arising from a High-Risk Use associated with the Cloud Subscription, including any claims based in strict liability or that InterSystems was negligent in designing or providing the Cloud Subscription to Customer. The foregoing indemnification obligation is in addition to any defense obligation set forth elsewhere and is not subject to any limitation of, or exclusion from, liability.
- 2.7. **Medical Device Disclaimer.** Customer acknowledges that the Cloud Subscription (1) is not designed, intended or made available as a medical device, and (2) is not designed or intended to be a substitute for professional medical advice, diagnosis, treatment, or judgment and should not be used to replace or as a substitute for professional medical advice, diagnosis, treatment, or judgment. Customer is solely responsible for displaying and/or obtaining appropriate consents, warnings, disclaimers, and acknowledgements to end users of Customer’s implementation and use of the Cloud Subscription.
- 2.8. **Customer’s Obligations.** Customer’s use of the Cloud Subscription and Customer Data will comply with all Laws. Customer is solely responsible for the accuracy, content and legality of the Customer’s use of the Cloud Subscription and Customer Data. Customer warrants that Customer has and will have sufficient rights in the Customer’s use of the Cloud Subscription and Customer Data to grant the rights to InterSystems under this Agreement and that the Customer Data will not violate the rights of any third party. Customer is solely responsible for: (1) the accuracy and adequacy of information and Customer Data furnished through use of the Cloud Subscription; (2) implementing a secure application-to-application authentication method between the Customer’s use of the Cloud Subscription , other services running on the Cloud Subscription, including all Third Party Applications, and any third party services (including Customer’s own services); (3) as applicable, obtaining appropriate consent from end users in connection with their use of the Customer’s use of the Cloud Subscription ; and (4) displaying appropriate warnings, disclaimers, and acknowledgements to end users in connection with their use of the Customer’s use of the Cloud Subscription , as applicable.

- 3.2. **Non-cancelable & Non-refundable.** Except as specifically set forth to the contrary in this Agreement, all payment obligations are non-cancelable and all payments made are non-refundable.
- 3.3. **Overdue Payments.** Any payment not received from Customer by the due date may accrue (except with respect to charges then under reasonable and good faith dispute), at InterSystems’ discretion, late charges at the rate of 1.5% of the outstanding balance per month, or the maximum rate permitted by Law, whichever is lower, from the date such payment was due until the date paid.
- 3.4. **Non-Payment and Suspension of Cloud Subscription.** If Customer’s account is more than ninety (90) calendar days past due (except with respect to charges subject to a reasonable and good faith dispute), in addition to any other rights or remedies it may have under the Agreement or by Law, InterSystems reserves the right to suspend Customer’s access to the Cloud Subscription upon written notice, without liability to Customer, until such amounts are paid in full.
- 3.5. **Taxes.** All Fees invoiced pursuant to the Agreement do not include any transaction taxes, which may include local, state, provincial, federal or foreign taxes, levies, duties or similar governmental assessments of any nature, including, but not limited to, value-added taxes (“**VAT**”), excise, use, goods and services taxes (“**GST/HST**”), consumption taxes or similar taxes (collectively defined as “**Transaction Taxes**”). All Fees invoiced pursuant to the Agreement are payable in full and without reduction for Transaction Taxes and/or foreign withholding taxes (collectively defined as “**Taxes**”). Customer is responsible for paying all Taxes associated with Fees and all other fees due pursuant to the Agreement, excluding U.S. income taxes imposed on

InterSystems. If InterSystems has a legal obligation to pay or collect Taxes for which Customer is responsible under the Agreement, the appropriate amount shall be computed based on Customer's address listed in the Order and invoiced to and paid by Customer, unless Customer provides InterSystems with a valid tax exemption certificate authorized by the appropriate taxing authority.

- 3.6. **Sizing.** Usage of the Cloud Subscription is charged on the basis of specific resources or metrics used to operate the Cloud Subscription as set forth on the Order. Subject to the limited rights expressly granted hereunder, InterSystems reserves all rights, title and interest in and to the Cloud Subscription, including all related Intellectual Property Rights. No rights are granted to Customer or to any Authorized Person hereunder other than as expressly set forth herein. Customer acknowledges that the Cloud Subscription is offered as an online service, not a license, and that Customer has no right to obtain a copy of the underlying computer code for any portion of the Cloud Subscription.
- 4.2. **Rights in Customer Data.** As between the Parties, Customer or its licensors retain all right, title and interest (including any and all Intellectual Property Rights) in and to the Customer Data and any modifications made thereto in the course of the operation of the Cloud Subscription. Subject to the terms of this Agreement, Customer hereby grants to InterSystems the non-exclusive royalty-free right to process the Customer Data solely to the extent necessary to provide the Cloud Subscription to Customer, to prevent or address service or technical problems with the Cloud Subscription, or as may be required by Law.
- 4.3. **Customer Input.** Customer may provide Customer Input to InterSystems from time to time during the Subscription Term. InterSystems may, but shall not be required to, incorporate any Customer Input into the Cloud Subscription. Customer shall have no right or interest whatsoever in or to any Customer Input or in any Improvements made to the Cloud Subscription as a result thereof.
- 4.4. **Usage Data.** Notwithstanding anything to the contrary in this Agreement, InterSystems may collect and use Usage Data solely to develop, improve, support, and operate its products and services. InterSystems may not share any Usage Data that includes Customer's Confidential Information with a third party except (i) in accordance with Section 5 (Confidential Information) of this Agreement, or (ii) to the extent the Usage Data is aggregated and anonymized.

5. **CONFIDENTIALITY.** The Parties' obligations with respect to Confidential Information shall be governed by the Confidentiality Terms available at <https://www.intersystems.com/ConfidentialityTerms>, which may be modified by InterSystems from time-to-time; provided that, InterSystems shall not materially alter the Confidentiality Terms without your written consent.

6. WARRANTIES AND DISCLAIMER

- 6.1. **Mutual Warranties.** Each Party warrants that it has the authority to enter into the Agreement and, in connection with its performance of the Agreement, shall comply with all Laws, including, but not limited to, those applicable to it related to data privacy, international communications and the transmission of technical or personal information.
- 6.2. **InterSystems Warranty.** InterSystems warrants that during the Subscription Term, the Cloud Subscription will operate in substantial conformity with the applicable Specification.
- 6.3. **Warranty Remedies.** In the event of a breach of InterSystems' warranty set forth in Section 6.2, and to the extent such breach was not caused by acts, omission or circumstances outside of InterSystems' control, InterSystems shall correct the non-conforming portion of the Cloud Subscription at no additional charge to Customer, or in the event InterSystems is unable to correct such deficiencies after good-faith efforts, InterSystems shall refund to Customer any pre-paid unused Fees attributable to the defective portion of the Cloud Subscription from the date InterSystems received such notice. Customer shall use commercially reasonable efforts to notify InterSystems in writing within thirty (30) calendar days of identifying a deficiency, but Customer's failure to notify InterSystems within such thirty (30) day period shall not affect Customer's right to receive warranty remedies unless InterSystems is somehow unable to, or impaired in its ability to, correct the deficiency due to Customer's failure to notify InterSystems within the thirty (30) day period. Notice of breaches of the warranty in Section 6.2 shall be made through InterSystems' then-current error reporting system; notices of any other breaches of this Agreement shall be made in writing to InterSystems in accordance with the

INTERSYSTEMS CLOUD SUBSCRIPTION AGREEMENT
TERMS & CONDITIONS

Notice provisions of the Agreement. The remedies set forth in this subsection shall be Customer's sole remedy and InterSystems' sole liability for breach of the warranty set forth in Section 6.2.

- 6.4. **DISCLAIMER.** EXCEPT AS EXPRESSLY PROVIDED HEREIN AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, INTERSYSTEMS MAKES NO WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, AND SPECIFICALLY DISCLAIMS ALL IMPLIED WARRANTIES, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THE CLOUD SUBSCRIPTION AND/OR RELATED DOCUMENTATION. INTERSYSTEMS DOES NOT WARRANT THAT THE CLOUD SUBSCRIPTION WILL BE ERROR FREE OR UNINTERRUPTED NOR DOES INTERSYSTEMS WARRANT THAT IT WILL REVIEW THE CUSTOMER'S USE OF THE CLOUD SUBSCRIPTION OR CUSTOMER DATA FOR ACCURACY OR RELIABILITY. THE LIMITED WARRANTIES PROVIDED HEREIN ARE THE SOLE AND EXCLUSIVE WARRANTIES PROVIDED TO CUSTOMER IN CONNECTION WITH ITS USE OF THE CLOUD SUBSCRIPTION.

7. INDEMNIFICATION

- 7.1. **By InterSystems.** InterSystems shall defend, indemnify and hold Customer harmless from and against any loss, damage or costs (including reasonable attorneys' fees) in connection with claims, demands, suits, or proceedings ("**Claims**") made or brought against Customer by a third party alleging that the Customer's use of the Cloud Subscription as contemplated hereunder infringes any third party's Intellectual Property Rights; provided, however, that Customer: (a) promptly gives written notice of the Claim to InterSystems; (b) gives InterSystems sole control of the defense and settlement of the Claim; and (c) provides reasonable assistance to InterSystems. InterSystems shall not be required to indemnify Customer to the extent a Claim arises out of or in connection with: (w) modification of the Cloud Subscription by Customer, its employees or Authorized Persons in conflict with Customer's obligations or as a result of any prohibited activity as set forth herein; (x) use of the Cloud Subscription in a manner inconsistent with, or not contemplated by, the Agreement; (y) use of the Cloud Subscription in combination with any other product or service specifically prohibited by InterSystems; or (z) any action arising as a result of Customer Data, or the Customer's use of the Cloud Subscription. If Customer is enjoined from using the Cloud Subscription or InterSystems reasonably believes that Customer will be enjoined, InterSystems shall have the right, at its sole option, to obtain for Customer the right to continue use of the Cloud Subscription or to replace or modify the Cloud Subscription so that it is no longer infringing. If neither of the foregoing options is reasonably available to InterSystems, then use of the Cloud Subscription may be terminated at either Party's option and InterSystems' sole liability shall be to refund any prepaid Fees for use of the Cloud Subscription that were to be provided after the effective date of termination. This Section sets forth Customer's sole remedy with respect to any claim of intellectual property infringement.

- 7.2. **By Customer.** Customer shall defend, indemnify and hold InterSystems harmless from and against any loss, damage or costs (including reasonable attorneys' fees) in connection with Claims made or brought against InterSystems by a third party arising out of or in connection with an Authorized Person's use of the Cloud Subscription provided, however, that InterSystems: (a) promptly gives written notice of the Claim to Customer; (b) gives Customer sole control of the defense and settlement of the Claim; and (c) provides reasonable assistance to Customer. Customer shall also indemnify and hold InterSystems harmless from and against any and all losses, liability, damages, or costs that may arise in connection with any misuse of the Cloud Subscription or infringement of InterSystems' Intellectual Property Rights by Customer or any Authorized Person.

8. LIMITATION OF LIABILITY; EXCLUSION OF CERTAIN DAMAGES.

- 8.1. **LIMITATION OF LIABILITY.** TO THE MAXIMUM EXTENT PERMITTED BY LAW AND EXCEPT WITH RESPECT TO (i) EACH PARTY'S INDEMNIFICATION OBLIGATIONS IN SECTION 7, (ii) FRAUD; OR (iii) CUSTOMER'S PAYMENT OBLIGATIONS,

8.1.1. EXCEPT AS SET FORTH IN SECTION 8.1.2 BELOW, IN NO EVENT SHALL EITHER PARTY'S AGGREGATE LIABILITY ARISING OUT OF OR RELATED TO THE AGREEMENT, WHETHER IN CONTRACT, TORT OR OTHERWISE, EXCEED THE FEES ACTUALLY PAID OR PAYABLE BY CUSTOMER UNDER THE AGREEMENT DURING THE IMMEDIATELY PRECEDING TWELVE (12) MONTH PERIOD FOR THE CLOUD SUBSCRIPTION IN CONNECTION WITH WHICH THE CLAIM AROSE (OR, FOR A CLAIM ARISING BEFORE THE FIRST ANNIVERSARY OF THE EFFECTIVE DATE, THE AMOUNT PAID OR PAYABLE FOR THE FIRST TWELVE (12) MONTH PERIOD).

UNDER THE AGREEMENT DURING THE IMMEDIATELY PRECEDING TWENTY-FOUR (24) MONTH PERIOD FOR THE CLOUD SUBSCRIPTION IN CONNECTION WITH WHICH THE CLAIM AROSE (OR, FOR A CLAIM ARISING BEFORE THE SECOND ANNIVERSARY OF THE EFFECTIVE DATE, THE AMOUNT PAID OR PAYABLE FOR THE FIRST TWENTY-FOUR (24) MONTH PERIOD).

8.2. **EXCLUSION OF DAMAGES.** EXCEPT WITH RESPECT TO AMOUNTS TO BE PAID BY EITHER PARTY PURSUANT TO A COURT AWARD OR SETTLEMENT AS WELL AS THE DEFENSE COSTS UNDER THE INDEMNIFICATION OBLIGATIONS NO MATTER HOW SUCH AMOUNTS OR COSTS MAY BE CHARACTERIZED, IN NO EVENT SHALL EITHER PARTY HAVE ANY LIABILITY TO THE OTHER PARTY FOR ANY INDIRECT, SPECIAL, INCIDENTAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES, HOWEVER CAUSED, OR FOR ANY LOST PROFITS, LOSS OF USE, COST OF DATA RECONSTRUCTION, COST OR PROCUREMENT OF SUBSTITUTE GOODS OR SOLUTIONS, WHETHER IN CONTRACT, TORT OR OTHERWISE, ARISING OUT OF, OR IN ANY WAY CONNECTED WITH THE CLOUD SUBSCRIPTION, INCLUDING BUT NOT LIMITED TO THE USE OR INABILITY TO USE THE CLOUD SUBSCRIPTION, ANY INTERRUPTION, INACCURACY, ERROR OR OMISSION, EVEN IF THE PARTY FROM WHICH DAMAGES ARE BEING SOUGHT HAVE BEEN PREVIOUSLY ADVISED OF THE POSSIBILITY OF SUCH LOSS OR DAMAGES. CUSTOMER WILL NOT ASSERT THAT ITS PAYMENT OBLIGATIONS AS SET FORTH IN AN ORDER ARE EXCLUDED AS INTERSYSTEMS' LOST PROFITS.

9. TERM; TERMINATION; SUSPENSION AND MODIFICATION

- 9.1. **Subscription Term.** Unless otherwise specified in the Order, the Subscription Term for your Cloud Subscription will commence on the Effective Date and continue for as long as the appropriate Fees are timely and properly paid to InterSystems, subject to the early termination provisions set forth herein.
- 9.2. **Termination for Cause.** Either Party may terminate the Subscription Term: (a) upon thirty (30) calendar days prior written notice to the other Party of a material breach by the other Party if such breach remains uncured at the expiration of such notice period or (b) immediately in the event the other Party becomes the subject of a petition in bankruptcy or any other proceeding relating to insolvency, receivership, liquidation or assignment for the benefit of creditors. The exercise of either Party of any remedy under this Agreement, including termination, will be without prejudice to any other remedies it may have under this Agreement, by Law or otherwise.
- 9.3. **Termination for Convenience.** The Customer may terminate the Subscription Term at any time without penalty unless the Order specifies a fixed Subscription Term. In such case, the Customer may only terminate for convenience upon the payment of an early termination fee, which early termination fee will be specified in the Order. InterSystems may terminate the Subscription Term for convenience at any time upon notice to the Customer. If InterSystems terminates for convenience, the effective date of termination will be the later to occur of (a) 30 days following InterSystems' notice to the Customer or (b) at the end of the period for which the Customer has pre-paid the Fee for use of the Cloud Subscription.
- 9.4. **Effect of Termination.** Upon termination of the Subscription Term for any reason, this Agreement shall terminate and Customer shall, as of the date of such termination, immediately cease accessing and otherwise utilizing the Cloud Subscription and any InterSystems Intellectual Property. InterSystems shall have no obligation to make Customer Data available after termination of this Agreement and shall thereafter promptly delete Customer Data. Customer shall immediately delete all copies of Documentation, any Cloud Subscription passwords or access codes, and any other InterSystems Confidential Information in its possession. Termination of the Subscription Term for any reason, other than as a result of InterSystems' material breach or bankruptcy or upon the payment of an early termination fee if permitted in the Order, shall not relieve Customer of the obligation to pay any Fees accrued or due and payable to InterSystems prior to the effective date of termination, including Fees relating to the unexpired fixed Subscription Term.
- 9.5. **Surviving Provisions.** The following provisions of the Agreement shall not survive and will have no further force or effect following any termination or expiration of the Agreement: Sections 2, 6, 7.1 and the Order. All other provisions of the Agreement shall survive any termination or expiration of the Agreement.
- 9.6. **Suspension of Service.** In addition to the right to suspend the Cloud Subscription under Section 3.4 above, InterSystems reserves the right to suspend your access to or use of the Cloud Subscription upon written notice, without liability to you, (a) if InterSystems reasonably determines suspension is necessary to avoid material harm to InterSystems or its other customers, including if the Cloud Subscription is experiencing denial of service attacks, mail flooding, or other attacks or disruptions outside of InterSystems' control, or (b) as required by Law or at the request of government entities.

INTERSYSTEMS CLOUD SUBSCRIPTION AGREEMENT
TERMS & CONDITIONS

9.7. **Regulatory Requirements.** InterSystems may make commercially reasonable changes to the Cloud Subscription from time to time in order to comply with applicable Laws. In addition, InterSystems may modify or terminate the Cloud Subscription in any country where InterSystems is subject to a Law or other requirement that (1) is not generally applicable to businesses operating in such country, (2) presents a hardship for InterSystems to continue operating the Cloud Subscription without modification, and/or (3) causes InterSystems to believe these terms or its provision of the Cloud Subscription to the Customer may conflict with any such Law or requirement. If InterSystems terminates the Cloud Subscription for regulatory reasons, Customer will receive a credit for any amount paid in advance for the period after termination.

10. GENERAL TERMS

- 10.1. **Relationship of the Parties.** The Parties are independent contractors. The Agreement does not create nor is it intended to create a partnership, franchise, joint venture, agency, fiduciary or employment relationship between the Parties. There are no third-party beneficiaries to the Agreement.
- 10.2. **Notices.** All notices under the Agreement shall be in writing and shall be deemed to have been given upon: (i) personal delivery; (ii) the third business day after first class mailing; or (iii) the next business day after sending by email. Notices to InterSystems shall be addressed to the attention of its Legal Department. Notices to Customer shall be addressed to Customer's signatory of the Order. Each Party may modify its recipient of notices by providing notice pursuant to the Agreement.
- 10.3. **Waiver and Cumulative Remedies.** No failure or delay by either Party in exercising any right under the Agreement shall constitute a waiver of that right or any other right. Other than as expressly stated herein, the remedies provided herein are in addition to, and not exclusive of, any other remedies of a Party at Law or in equity.
- 10.4. **Force Majeure.** Neither Party shall be liable for any failure or delay in performance under the Agreement for causes beyond that Party's reasonable control and occurring without that Party's fault or negligence, including, but not limited to, acts of God, acts of government, flood, fire, civil unrest, acts of terror, cyber-attacks, strikes or other labor problems (other than those involving InterSystems or Customer employees, respectively). Dates by which performance obligations are scheduled to be met will be extended for a period of time equal to the time lost due to any delay so caused.
- 10.5. **Assignment.** Neither Party may assign any of its rights or obligations hereunder, whether by operation of Law or otherwise, without the prior written consent of the other Party (which consent shall not be unreasonably withheld). Notwithstanding the foregoing, either Party may assign the Agreement in its entirety without consent of the other Party in connection with a merger, acquisition, corporate reorganization, or sale of all or substantially all of its assets so long as the assignee agrees to be bound by all of the terms of the Agreement and all past due Fees are paid in full. Any attempt by a Party to assign its rights or obligations under the Agreement other than as permitted by this section shall be void and of no effect. Subject to the foregoing, the Agreement shall bind and inure to the benefit of the Parties, their respective successors and permitted assigns.
- 10.6. **Governing Law; Waiver of Jury Trial.** The Agreement shall be governed exclusively by the internal Laws of the Commonwealth of Massachusetts, without regard to its conflicts of Laws rules. Each Party hereby waives any right to jury trial in connection with any action or litigation in any way arising out of or related to the Agreement. Any dispute brought hereunder shall be subject to the exclusive venue of a court of competent jurisdiction in Boston, Massachusetts. If a court of competent jurisdiction holds any provision of this Agreement to be unenforceable or invalid, that provision will be limited to the minimum extent necessary so that this Agreement will otherwise remain in effect. Section headings are inserted for convenience only and shall not affect the construction of the agreement.
- 10.7. **Dispute Resolution.** Each Party agrees that before it seeks any form of legal relief (except for a provisional remedy as explicitly set forth below and except for InterSystems' right to suspend access to the Cloud Subscription pursuant to Sections 3.4 or 9.6) it shall provide written notice to the other Party of the specific issue(s) in dispute (and reference the relevant provisions of the contract between the parties which are allegedly being breached). Within thirty (30) days after such notice, knowledgeable executives of the Parties shall hold at least one meeting (in person or by video- or tele-conference) for the purpose of attempting in good faith, to resolve the dispute. The Parties agree to maintain the confidential nature of all disputes and disagreements between them, including, but not limited to, informal negotiations, mediation or arbitration, except as may be necessary to prepare for or conduct these dispute resolution procedures or unless otherwise required by law or judicial decision. The dispute resolution procedures in this Section shall not apply to claims subject to indemnification under Section 7 (Indemnification) or prior to a party seeking a provisional remedy related to claims of misappropriation or ownership of intellectual property, trade secrets or Confidential Information.

10.8. **Export.** Each Party shall comply with the export Laws and regulations of the United States and other applicable jurisdictions in

Without limiting the generality of the foregoing, Customer shall not make the Cloud Subscription or any InterSystems Intellectual Property available to any person or entity that:(i) is located in a country that is subject to a U.S. government embargo; (ii) is listed on any U.S. government list of prohibited or restricted Parties; or (iii) is engaged in activities directly or indirectly related to the proliferation of weapons of mass destruction.

- 10.9. **Federal Government End Use Provisions (if applicable).** InterSystems provides the Cloud Subscription, including related software and technology, for federal government end use solely in accordance with the following: Government technical data and software rights related to the Cloud Subscription include only those rights customarily provided to the public as defined in the Agreement. This customary commercial license is provided in accordance with FAR 12.211 (Technical Data) and FAR 12.212 (Software) and, for Department of Defense transactions, DFAR 252.227-7015 (Technical Data – Commercial Items) and DFAR 227.7202.3 (Rights in Commercial Computer Software or Computer Software Documentation). If a government agency has a “need for” right not conveyed under these terms, it must negotiate with InterSystems to determine whether there are acceptable terms for transferring additional rights. A mutually acceptable addendum specifically conveying such rights must be executed by the parties in order to convey such rights beyond those set forth herein.
- 10.10. **Miscellaneous.** These Terms and Conditions, together with the Order and applicable Specification, including all other documents incorporated by reference herein or therein, constitutes the entire agreement between the Parties with respect to your access to and use of the Cloud Subscription. In the event of a conflict, the provisions of the following documents shall take precedence in the following order: (1) BAA or DPA, as applicable, (2) the Specification, (3) the Order, (4) any other document incorporated by reference into the Agreement and (5) these Cloud Subscription Agreement Terms and Conditions. The Agreement supersedes all prior and contemporaneous agreements, proposals or representations, written or oral, concerning its subject matter. No modification, amendment, or waiver of any provision of the Agreement shall be effective unless in writing and signed by the Party against whom the modification, amendment or waiver is to be asserted. If any provision of the Agreement is held by a court of competent jurisdiction to be contrary to Law, the provision shall be modified by the court and interpreted so as best to accomplish the objectives of the original provision to the fullest extent permitted by Law, and the remaining provisions of the Agreement shall remain in effect. Notwithstanding any language to the contrary therein, no terms or conditions stated in a Customer purchase order or in any other Customer order documentation (other than an agreed Order) shall be incorporated into or form any part of the Agreement, and all such terms or conditions shall be null and void. Upon execution and delivery by the Parties of an Order for access to the Cloud Subscription, the Parties shall be deemed to have entered into the Cloud Subscription Agreement relating to such Cloud Subscription. The Order may be executed in counterparts, which taken together shall form one binding legal instrument. The Parties hereby consent to the use of electronic signatures in connection with the execution of the Order, and further agree that electronic signatures to the Order shall be legally binding with the same force and effect as manually executed signatures.
