- Q&A
- Videos
- Tech News
- Article contests
- Coding challenges

The screenshot displays the InterSystems Developer Community website. The top navigation bar includes links for Learning, Documentation, Community, Open Exchange, and Global Masters. The main content area features a forum post titled "InterSystems IRIS and IRIS for Health 2020.3 are GA (Generally Available)" by Stefan Wittmann, dated Oct 5, 2020. The post discusses the availability of GA releases for the 2020.3 version of InterSystems IRIS, IRIS for Health, and IRIS Studio, and mentions a full set of containers available from the WRC Software Distribution site. Below the post, there is an announcement by Anastasia Dyubaylo dated Sep 11, 2020, titled "Welcome to the InterSystems Full Stack Contest!". The announcement includes a banner for the "InterSystems Full Stack Contest" running from September 21 to October 11, 2020. The banner features the InterSystems logo and a trophy. The website also has a sidebar with "All sections" (News, Events, Articles, Q&A, More...), "Our social networks" (Twitter, LinkedIn, Facebook, YouTube, GitHub), and "InterSystems resources" (Download InterSystems IRIS, Try InterSystems IRIS Online, Become a Partner, IRIS Community Edition on Docker, InterSystems IRIS on AWS, InterSystems IRIS on Azure, InterSystems IRIS on GCP). On the right side, there are sections for "Events" (InterSystems Full Stack Contest, InterSystems Virtual Summit 2020), "App of the week" (HL7 and SMS INTEROPERABILITY DEMO), and "News" (InterSystems Digital Services for Business).

Activities for InterSystems Developers

- Programming contests for Developers (monthly)
- Tech Article writing competitions (in different languages)
- Webinars & meetups
- Coding challenges
- \$13,000+ in prizes!
- Prizes: iPad, AirPods, etc.
- Professional recognition
